## SYNOPSIS

The film is the story of a boy that always goes for fishing to a grounded ship remained from war in zero point border. He has transformed the grounded ship into the place for his seclusion and serenity to earn a livelihood as an angler. His seclusion and serenity has been disturbed when appear a stranger. The stranger claims owning the ship while the boy does not admit it and resists the strangers. To seize the ship, the stranger hasn't way just dividing the ship to two parts with resorting to force. A few days later, another stranger enters to the ship ...

### About the Director

**Amirhossein Asgari** was born in 1978 / Tehran. He began his work in theater and after completing his education at the Faculty of Dramatic Arts entered into the cinema and television. Assistant in more than 50 movies and series led him to make his first short film, the film called "Chort e Kotah" (2008) which was purely experimental. The film "Maybe another Time" (2012) is his second shortfilm, which had succeed in domestic and international film festivals. **BORDERLESS** is his first long film, that has been experienced its global debut at the Tokyo International Film Festival.

### DIRECTOR'S NOTE

I do not know exactly !!  
Today that I am writing this article, in far !  
How many children have lost their lives?  
How many children have lost their parents?  
How many mothers lost their children?  
Even thinking about it bothering me !  
I do not know !  
But this is the philosophy of war. War wants everyone be alone like itself.
